of the Mantapa may be cancelled and the building restored to the Matt The Dy Commr having referred the petr to civil court, the latter appealed to Govt - the appeal was rejected on the ground that there were no ~~Defendees~~ Defendees to show that the Matt building belonged to Govt (vide Endt no 1528 dy 18-12-09) - His review memorial to H H the Maharaja was subsequently rejected - The petr now prays that the above order of Govt may be reviewed — ~~He~~ He says that the Bhairagi matt in question is in the enjoyment of a monthly cash Allowance of Rs 14-1-0 from Govt (in addition to some Kandayam lands) and is consequently a Govt institution, that the Govt have the right of appointing successors to the matt & that the orgl orders of 1872 from the Dy Commr shows that the Mantap in question belongs to his matt - He therefore prays that the order in question may be modified after hearing him and the counter petr, and after a perusal of the records. is addressed to the Cr and the crd order thereon is :— "Immediate, early report with records may be called for from the Dy Cmr. Dy Supt Rbd. 8/6 4/10/12"

So long as the matter is in the receipt-ya Court found it need be considered a mining institution ultimately amenable to the control of the Govt in the Mines Deptt. The Govt does not interfere in the internal management ordinarily unless for special reasons the management-system in the institution is assumed by Govt but they are however in touch in the conservation system properties system in the institution particularly if there happen to be any lapses found from the State. The petr refers to the Talukdar order of 1912 relating to the mantap and a report might have to be called for as to whether there are any available documents to show that the mantap is the property of the math or building institution

Petition Dy 14. 12. 1914

Prays for the restoration of the mantap to the Bhyragi matt.

The Dy Commrs report goes exhaustively into the facts of the case. It is an English translation of the Amildars report no. 148 Dy 24th Decr 1913

The applt now seeks for a revision of the Smt order on the strength of the following documents produced by him:-

Hukum no. 454 Dy 21. 9. 1872 from Attikuppa Taluk office to Gopal Dass stating that Bhagavan Dass and Janaki Bai agreed that they had occupied the mantap as they had no house to live in, that they would vacate it as soon as they got their house constructed and that they had no claim to it.

order no-68 Dy 4. 3. 1828 directing the Shekdar to give effect to the above order.

The Dy. Commr was asked to report with special reference to the statement that the present mantap formed the subject of the order of 1872 referred to.

His present report explains the facts of the case.

Sham Dass son of Bhagavan Dass who is the opponent in the case, says that these documents were not produced when he complained against Gopala Dass in 1884, that Janaki was alive till 1890, that if Gopala Dass had allowed her to occupy the building, he would have taken it back from her, that as the disputed portion had continued in his family in hereditary succession, Gopala Dass had no claim to it, and that he applied to Srirangapatam Taluk office for copies of the above documents, but was informed that no Dabas were forthcoming and that these documents seemed to him rather suspicious.

It will be seen from the Vernacular records that the Dy. Commr, Mysore Dist, directed the submission of the record connected with the order of 1872, but the Huzur Reporter that no references were forthcoming.

Govt and the W[illegible] decided against the Petr as there was nothing to show that the building belonged to Govt. There are further no papers relating to an order of 1872 on which the Petr relies. The counter petitioner has also been in adverse possession of the building for Several years past.

If approved the Dy Com[illegible] report may be recorded & the Petr replied that there are no grounds for reconsidering the order of Govt already passed.

some evidence and considering the situation it seems to be probable that a portion at least of the building now in the possession of Shams Dass, objects formed part of the Byragee Matha which is in receipt of a small Govt. grant.

Shams Dass and his ancestors have been in possession for a long time and there is no clear evidence of the character of their occupancy. A claim to participate in the receipts of the Matha appears to have been put forward of late years and in any case since 1900 at least the possession has been adverse to the Matha. It is apparently due to the weakness of the Matha's claim to recover possession that ex-parte action is prayed for.

The Matha is by no means of any such importance that it would require the intervention of Govt.

DATED 13-12-14
Bangalore 215-12
SERIAL NO. 3

Respected Sir,

I, Shawadas of Bragmutt, Melkote most humbly beg to bring the following few lines into your Kind Consideration and for the favourable Reply thereon,

I was informed that Acharyaka Ramanuja Das of Melkote had presented an appeal on the order passed by the General and Revenue Secretary by No 1528 / 18-12-1909 about a mantapam of S Arkavas, which is not in his possession. And he has enclosed with the Appeal petition two orders bearing no 68 / 4378 & 456 / 21-9-72. respectively but there is no reference for these orders in the Taluk Cutcherry. And the same numb contain different matters about Hobli Shirastadar Moreover I applied for the Copy of the above with And the Endorsement has been enclosed to the original records

From the above evidence. your hon may conclude How much these orders are & valid!

So I request your honour to Consider the following points in Connection with Acharyaka Ramanuja Dasas petition.

petition. My ancestors were only the managers of the said mutt In 1886 when I was a minor the management of the mutt was vested to one Gopal Das who was an ordinary Gumasta Thus he occupied a position of mutt Best if you kindly refer to the records about the claim which were presented by me in 1887, the real fact will be known And we were also repairing the mutt at our own cost and thus we are enjoying the benefits of mutt from 100 years ago, paying municipal tax also

In 1900 & 1905, Raghavadas and Achutiya Ramanuja Das placed a petition to the effect that they had claim respectively to the said mantapam The Taluk Authorities after due enquiry rejected their claim stating that they might go to Civil Court

And the Sub Division officer and Deputy Commissioner of the Mysore District ordered in favour of me (14-9-08 67/104)

The Government also decided in favour of me with the original records on 18-12-1909 by No 528

In Conclusion I most humbly beg to kindly refer to all the previous records about the mantapam which is now in dispute and to pass orders after enquiring both the parties in person

I beg to remain

Sir,

Adverting to your C. M. No. 115-7 M.7
215-11-2 dated 25-3-13 and docketed as 1447
Mug 215-12
dated 21-11-1913 respectively calling for report
on the petition of Achyuta Ramanujadoss
Mahant of the Byragi Matt at Melkote
praying for the restoration of the Mantap
belonging to the institution, and of Shamdoss
of Melkote protesting against the claim of the
said Achyuta Ramanujadoss to the Mantap
in question and praying for the confirmation of
the previous orders of Govt. on the subject, I
the honor to state as follows:—

Raghavadoss, Mahant of Byragi mate
on 12-5-1900 that the portion of the
by Shamadoss might be
sent to the Pesikar of the temple.

2) Raghavadoss has deposed that the ancestors of Shamdoss applied for the temporary occupation of the portion of the Matt, subject to certain conditions for which are detailed in the document executed by them but that they have not acted up to it and given up the above portion.

(3) Janaki bayi wife of Narasinga doss and her son Bhagavandoss executed a bond on 19-11-1870 in favor of Mahant Gopal doss to the effect that they would vacate the three houses belonging to the Matt and that in default to keep them for a price of Rs 250/-

(4) Shamdoss, son of the above Bhagavandoss who is in possession of the disputed portion of the house, deposed on 6-7 1900 that the above bond was not genuine, that the land to the Bhyrapi Matt belonged to his family, that he had been contending for 10-12 years, that the disputes were not settled and that he had certain document in support of his claim - He produced the following documents

(a) Unauthenticated copy of a document dated 3-9-1838 pronounced before the temple Sastikar in 1900 purporting to be executed by Mutadhi-pathi Seethaldoss in favor of his adopted son Narasimhadoss and his disciple Krishna doss stating that the Mutt belongs to them.

(b) Unauthenticated Copy of a Kaval dated

17-4-1839 produced before the Peshkar in 1900 & purporting to be executed by Mutapathi Subbiah in favor of the above persons to the same effect.

(c) Un authenticated copy of the Srirangapatana Taluk Amt's report, similarly produced, No 240 dated 16-11-1887 to Supdt off, French Rocks, stating that the duties of the Mahant by the Matt were being performed by Gopaloos since 1866 as per order No 42 of 66 of the Dy Supdt Hassan District, that order No 146 of 1839 issued by the Supdt of Ashtagram Division directed that out of the amount of the Matt 1½ Varahas should be paid to Narasingoos Junkoor of the Matt, and 3¾ Varahas to Seethaloos for performing the duties of the Matt, that this was in force till 1861, that as Subbadoos stopped payment then, Bhagavandoos (of Petts family) complained to Govt, that as ordered in 1861, payment was continued to be made till 1863 when it was ordered that the amount paid to the Matt should be utilized for making payment to Byragees and not distributed as above, that it was reported by the Amildar of Attikuppa to the Superintendent of Ashtagram Division in report No 69 dated 17-3-1892 that the ancestors of Narasingoos were the Junkoors of the Matt, that during his Khothadoos was appointed

that the complainant Narasingoss had made a math for himself by the side of Byraji matt and that he was using the amount paid by them for charitable purposes, that consequently it was clear that the ancestors of the complainant were the hukdars, that the matter of distributing the amount was settled in 1863 only, that as Gopaloss was performing the duties of the matt since 1866, it was not justifiable to restore the matt to petitioner, and that the matter had to be considered after the death of Gopaloss.

The Peshkar of the Sri Narayanaswami temple at Melkote reported in his R. No 150 dated 16-12-1908 that the disputed portion was in possession of Shamadoss as above.

Achyuta Ramanuja Doss, the present Matadhikari petitioned the Taluk and the Sub D. O. on 26-4-1908 that Shamadoss was obstructing the repairs &c to the matt

The Sub D. O. reported to this Office that as Shamadoss had been in possession of the mantap from a very long time, the claim of the matt to that portion was of a civil nature and the then Dy Commr ordered in No 182 dated 6-10-1909 that the

petitioner and the opposite party might be given endorsements that they might decide their case in a civil court.

Thereupon Achyuta Ramanujadoss appealed to Government who confirmed the order of Deputy Commissioner in their No. 1528 7327-09 2 dated 18 12 09 stating that there was nothing to shew that the matt building belonged to Govt.

Achyuta Ramanuja doss has applied to the 1st Councillor for revision on the following grounds: that the endorsement (produced by him in original) No. 454 of 21-9-72 given to Gopal doss by the Amildar of Attikuppa in pursuance of the orders issued to him shows that Bhagavandoss and Janakibayi had no claim to the matt building according to their statement and that the Shekdar had been directed as per order No. 429 from the Superintendent of Ashtagram Division to get the matt vacated by them, and that it was again ordered (on the complaint of Gopal doss) by the Amildar in his No. 68 4-3-78 to the Shekdar that the same should be carried out.

Shamadoss who is in possession of the Mantap has deposed and presented a petition on 26-5-1913 that the above reference was not produced when he complained against Gopaldoss in 1887, that it is not consequently known how this order was obtained, that Janakibayi was alive till 1890, that she could have got possession of the building if it had been given by Gopaldoss, that as the building has been in possession of his family and himself from a very long time, Gopaldoss has no claim to it that he applied to the Amildar of Srirangapatam for the grant of Copies of the above references quoted by the Acheyuta Ramanujadoss but was informed that the petition registers &c relating to the Revenue Dept had not been received there from the Taluk Attikuppa Taluk.
